## A Family-Owned Business Since 1953

Operating by the core values of honesty, integrity, compassion and respect – our purpose is to better the lives of our employees, their families, our customers and the communities we service. As an Industry Leader, we have been in business for over 60 years, specializing in spun concrete poles, metal poles and outdoor decorative LED lighting. Headquartered in Burlington, Ontario, with facilities in Ohio, Alabama and Kansas, we have grown steadily and are continuing this growth with a dynamic that maintains our family culture and values.

### WHAT SETS THE STRESSCRETE GROUP APART

Culture, opportunity and growth. Our open and respectful culture allows for access to management from all levels. We have an aggressive growth strategy and provide a challenging environment; and in return you will be provided with the opportunity to take your career to new heights.

### GROWTH POTENTIAL

With over 60 years of experience, an exciting growth strategy and innovative products, we continue to be a market leader in both the Decorative Outdoor Lighting and Transmission & Distribution Industries. With year over year growth in the double digits, we continue to seek exceptional talent as we strive to reach our future growth objectives.

### OPPORTUNITY

Our employees are ambitious and passionate about their roles and the company. We inspire people to be self-sufficient and autonomous. Achievements are rewarded with development opportunities and advancement from within the company. At The StressCrete Group, opportunities to create your own path to success are valued and encouraged.

# Quality People – Quality Products

Since 1953, great people have been the foundation of our success. We employ over 300 people at 4 North American locations where every employee is important and every role is critical to our strength as a company. Our diverse family environment has created a strong team of long-term employees who are empowered to achieve success.

## GREAT EXPERIENCES

Our goal is to create a community environment where people obtain genuine friendships. Together we enjoy numerous company BBQs and social events throughout the year and most importantly, we enjoy working together. After all, work is not only what you do, it's who you're with that helps to create a truly unique environment that you look forward to participating in every day.

## QUALITY STANDARDS

At The StressCrete Group, our motto is 'Quality People – Quality Products'. We can't create one without the other. Using our Gold Standards, we set high objectives to achieve exceptional customer service, take ownership of our roles and hold ourselves accountable for quality results.

## Our Gold Standards

We choose to 'wow' our customers daily.

We look for innovative ideas every day.

We choose to have a positive attitude every day.

We choose to provide every customer with the highest quality products.

We choose to exceed the needs of our customers through world class service.

We work as a team to create and maintain life-long customers.

We take ownership of our job and hold ourselves accountable for quality results.

# Accelerate Your Career With The StressCrete Group

We are a non-corporate family environment, where your efforts are rewarded and appreciated across the company. We are looking for you to have a lifelong, challenging career with us where there is no limit for growth opportunities. The only limits to your growth are the limits you put on yourself.
